*Believe...*

*in supporting youth in the arts*

*"I am a Colleague..."*

because I want to make sure that young people get an opportunity to continue their talents. I know my membership into the Colleagues makes that possible."

Each Colleague is a benefactor to help the community's gifted youth to pursue their talents in the arts. When you get involved, you will enjoy special events featuring the student awardees that represent a wide range of artistic disciplines that benefit from your generosity. Your support ensures the availability of awards to students who otherwise would not be able to afford the means to develop their artistic skill.
